

Diagnostic and Repair Service Call

Our installation professionals will provide onsite troubleshooting, diagnosis and repair. The diagnostic and repair charge applies to those customers that are no longer covered by their 12 month labor warranty. The service fee provides ½ hour of onsite labor plus \$40 per additional ½ hour. Please review the terms and conditions outlined in our comprehensive warranty.

- **Rate: \$105 for the trip charge and diagnostic**
- **\$40 per additional half hour.**
